The screenshot displays the 'PC Speed Maximizer' application window. The title bar includes the software logo and name. Below the title bar is a navigation menu with tabs for 'Home', 'Registry', 'Clean Up', 'Optimize', and 'Settings'. The 'Registry' tab is currently selected. The main content area is titled 'Registry' and contains the following elements:

- A sub-header 'Registry' with a description: 'Remove invalid and unnecessary items to optimize your Windows registry.'
- An 'Actions' section with a large green 'Start Scan' button and the instruction: 'Select Start Scan to search for registry items to clean and optimize.'
- A 'Registry options' section with two links: 'Customize your registry scan' and 'Backup and restore your registry', each accompanied by a small icon.
- A '> Help' link in the bottom right corner.
